

CIRCUM TECHNOLOGIES LTD

Terms of Service

Effective Date: 16 June 2026
Company Registration No: 13931698
Registered in England and Wales
circumuk.com

These Terms of Service ("Terms") govern your access to and use of the CIRCUM platform, including the CIRCUM iOS application, CIRCUM Android application, web application, and all associated services (collectively, the "Platform") operated by CIRCUM Technologies Ltd, a company registered in England and Wales (Company No. 13931698) ("CIRCUM", "we", "us", or "our").

By creating an account or using the Platform, you agree to be bound by these Terms. If you do not agree, you must not use the Platform.

1. Definitions

In these Terms, the following words have the meanings set out below:

- "Platform" means the CIRCUM iOS application, CIRCUM Android application, web application, and all related services.
- "App" means the CIRCUM mobile application available on the Apple App Store and Google Play Store.
- "Sender" means a user who books a delivery through the Platform.
- "Rider" means a self-employed courier who accepts and fulfils delivery requests via the Platform.
- "Recipient" means the person designated by the Sender to receive a delivery.
- "Delivery Request" means a booking made by a Sender for the collection and delivery of an item.
- "IRIS" means our proprietary item classification and pricing engine.
- "Health+" means our prescription collection and delivery service.
- "Vanguard" means our premium delivery assurance service offering enhanced rider assignment, verification, and handling.
- "Gifts by CIRCUM" means our curated gifting and premium item delivery service, accessible at circumuk.com.
- "Roth" means the CIRCUM credit wallet system, a closed-loop non-withdrawable credit balance held against a Sender's account and redeemable against Platform services only.
- "Roth Credits" means the individual credit units held in a Roth wallet, funded by gift cards or admin tokens.
- "GBP" means pounds sterling.

2. Eligibility

You must be at least 18 years of age to use the Platform. By using the Platform, you represent and warrant that you meet this requirement and that you have the legal capacity to enter into a binding contract under English law.

Riders must additionally satisfy our onboarding criteria, including identity verification, vehicle registration, and right-to-work checks, before being permitted to accept Delivery Requests.

3. Account Registration

To use the Platform you must register an account using email/password, phone OTP, Google, or Apple authentication. You agree to:

- Provide accurate, current, and complete information during registration.
- Maintain the security of your account credentials and not share them with any third party.
- Notify us immediately at legal@circumuk.com if you become aware of any unauthorised use of your account.
- Accept responsibility for all activity that occurs under your account.

We reserve the right to suspend or terminate your account where we have reason to believe that account information is inaccurate, fraudulent, or in breach of these Terms.

4. Mobile Applications

4.1 Apple App Store

The CIRCUM iOS app is made available via the Apple App Store. These Terms are entered into between you and CIRCUM Technologies Ltd only. Apple Inc. is not a party to these Terms and is not responsible for the App or its content. To the extent that you use the App on a device owned or controlled by Apple, you acknowledge that:

- These Terms are between you and CIRCUM, not Apple.
- Apple has no obligation to provide maintenance or support for the App.
- In the event of any failure of the App to conform to any applicable warranty, you may notify Apple and Apple will refund the purchase price (if any) for the App; to the maximum extent permitted by law, Apple has no other warranty obligation.
- Apple is not responsible for addressing any claims by you or any third party relating to the App or your possession or use of it, including product liability claims, consumer protection claims, intellectual property infringement claims, or legal compliance claims.
- Apple and its subsidiaries are third-party beneficiaries of these Terms, and Apple has the right to enforce these Terms against you as a third-party beneficiary.

4.2 Google Play Store

The CIRCUM Android app is made available via the Google Play Store. These Terms are entered into between you and CIRCUM Technologies Ltd only. Google LLC is not a party to these Terms and has no obligation under them. By downloading or using the Android App, you also agree to comply with Google Play's Terms of Service.

4.3 App Updates and Availability

We may release updates to the App from time to time. Depending on your device settings, updates may be installed automatically. We recommend keeping the App updated to ensure access to the latest features, security patches, and bug fixes. We do not guarantee that any particular version of the App will remain available.

4.4 Device Permissions

The App may request the following device permissions in order to function correctly:

- Location (precise): required for delivery tracking, pickup/destination selection, and Rider GPS.
- Camera: required to photograph items or upload verification documents.
- Notifications/Push: required to receive delivery status updates and account alerts.
- Contacts (optional): to pre-fill Recipient details.
- Photo library (optional): to upload profile or verification images.

You may manage these permissions at any time via your device settings. Revoking required permissions may limit functionality.

5. The CIRCUM Platform: Sender Terms

5.1 Booking a Delivery

Senders may book a Delivery Request through the Platform by providing pickup and destination addresses, recipient contact details, and item information. IRIS will classify your item and return a price based on weight, distance, vehicle requirement, and applicable handling surcharges.

By submitting a Delivery Request, you confirm that:

- The item description and declared weight are accurate to the best of your knowledge.
- The item does not fall within the Prohibited Items list in clause 5.3.
- You have the authority to send the item.
- The Recipient is aware a delivery will be made to their address.

5.2 Pricing and Payment

The price for each delivery is calculated by IRIS using the following components:

- Base fare: GBP 6.00.
- Distance: GBP 1.00 per mile beyond the first mile; a 1.2x multiplier applies beyond 20 miles.
- Weight surcharges: Small Parcel (0–2 kg): nil; Medium Parcel (>2–10 kg): GBP 3.00; Large Parcel (>10–25 kg): GBP 8.00; Heavy Goods (>25–50 kg): GBP 18.00; Heavy Duty Freight (>50 kg): GBP 35.00.
- Handling surcharges for fragile, oversized, perishable, high-value, temperature-sensitive, bulky, awkward, urgent, or specialist-lift items.
- Vehicle surcharges where a van or specialist vehicle is required.

Payment is processed via Stripe. All prices are in GBP inclusive of any applicable handling fees. We reserve the right to adjust pricing at any time; the price displayed at the time of booking will be the price charged.

Items over 50 kg are classified as requiring manual review by IRIS and may be subject to a revised quote before fulfilment.

We do not currently apply VAT to delivery charges. This may be reviewed as the business scales.

5.3 Prohibited Items

The following items may not be sent via the Platform under any circumstances:

- Illegal drugs, controlled substances, or paraphernalia.
- Weapons, firearms, ammunition, or explosives.
- Hazardous materials, flammable liquids, or chemicals.
- Live or deceased animals.
- Human remains or body parts.
- Cash, banknotes, or bearer instruments above GBP 500.
- Counterfeit, stolen, or fraudulently obtained goods.
- Items whose carriage would breach any applicable law or regulation.

IRIS may flag items for admin adjudication. We reserve the right to cancel a Delivery Request and issue a refund (less any transaction fees) where a prohibited item is identified.

Specialist items including pianos, vehicles, funeral transport, and heavy industrial freight require a specialist referral and cannot be booked through the standard flow.

5.4 Cancellation and Refunds

You may cancel a Delivery Request before a Rider has accepted it. Once a Rider has accepted your request, cancellation may result in a cancellation fee. Our refund and dispute process is described at circumuk.com/refunds. We will process eligible refunds within 5–10 business days via the original payment method.

6. The CIRCUM Platform: Rider Terms

6.1 Independent Contractor Status

Riders on the CIRCUM Platform are self-employed independent contractors. Nothing in these Terms creates an employment relationship, agency, partnership, or joint venture between CIRCUM and any Rider. Riders are responsible for their own tax affairs, National Insurance contributions, and compliance with all applicable laws.

6.2 Rider Onboarding and Verification

Before accepting Delivery Requests, Riders must complete our onboarding process, which includes:

- Identity verification (government-issued photo ID).
- Right-to-work verification in the United Kingdom.

- Vehicle registration and insurance documentation.
- Acceptance of these Terms and any applicable Rider addendum.

Riders must ensure that their vehicle information, insurance, and verification documents remain current throughout their time on the Platform. Failure to maintain valid documentation may result in suspension.

6.3 Accepting and Completing Deliveries

Riders may view available Delivery Requests and accept those they choose to fulfil. Upon acceptance, the Rider is responsible for:

- Collecting the item promptly from the pickup address.
- Handling the item with appropriate care, particularly where IRIS flags special handling requirements.
- Delivering the item to the Recipient address within a reasonable time.
- Updating trip status and completing the delivery through the Platform.
- Complying with all applicable road traffic laws.

6.4 Vanguard Deliveries

Vanguard is CIRCUM's delivery assurance tier. Vanguard deliveries are assigned to higher-trust Riders who have demonstrated strong performance metrics. Riders accepted into the Vanguard pool must maintain the verification, handling, and conduct standards set out in the Vanguard Rider guidelines. Vanguard is an assurance framework and does not constitute insurance.

6.5 Earnings and Payouts

Rider earnings are calculated as the delivery price credited upon successful trip completion. Earnings are held in your Platform balance and may be withdrawn via payout request. Withdrawal timelines depend on banking processing times and are typically 3–5 business days. CIRCUM reserves the right to withhold payment where there is a reasonable investigation into fraud, misconduct, or disputed delivery.

7. Health+ Service

The Health+ service enables the collection of prescription medication from pharmacies and delivery to the patient's address. By using Health+, you confirm that:

- You are the named patient or a duly authorised representative of the named patient.
- The prescription is valid, legitimately obtained, and authorised by a registered healthcare professional.
- You accept sole responsibility for the clinical appropriateness of the medication prescribed.

CIRCUM is a courier service only. We do not provide medical advice, clinical assessment, or pharmacy services. Health+ delivery does not include pharmacist counselling. You should contact your prescribing GP or pharmacist with any clinical questions.

Health+ pricing uses our standard delivery pricing with a minimum charge of GBP 11.00 per booking, plus a GBP 1.20 service fee. Recurring pickups are available on weekly, fortnightly, and monthly schedules via Stripe subscription billing.

Health+ currently does not include cold-chain verification for temperature-sensitive medication. You must inform us at the time of booking if your prescription requires cold storage; we will advise on suitability.

8. Gifts by CIRCUM

8.1 Overview

Gifts by CIRCUM is a curated gifting service available at circumuk.com. It is currently operating in Early Access Beta. Gifts by CIRCUM is not a traditional online shop. It is a personalised gifting experience in which CIRCUM creates and delivers a curated gift based on the information you provide. Gift contents are intentionally kept confidential until delivery.

8.2 How Gifts by CIRCUM Works

To place a gift request, you complete a seven-step guided flow:

- Who: choose the delivery recipient type (someone else, anonymous gift, or yourself) and your relationship to the recipient.
- Moment: select the occasion or moment being celebrated.
- Story: provide a free-text description of the recipient to help IRIS personalise the experience.
- World: select the recipient's interests across categories including Style & Beauty, Food, Drink & Dining, Travel & Experiences, Culture & Creativity, Lifestyle & Passions, and Values & Growth.
- Preview: review a private IRIS experience preview. Exact gifts, brands, retailers, and procurement costs are not shown at this stage.
- Details: provide Sender and Recipient details including name, phone, email, delivery address, and preferred delivery window.
- Review: confirm the safe summary of your request and proceed to Stripe for payment.

Nothing is confirmed until our Gifts Team reviews and approves your gift request. Payment is held securely via Stripe and released only upon team approval.

8.3 IRIS and Gift Curation

IRIS generates a private experience direction based on the information you provide. The IRIS preview shows a directional description only; it does not reveal specific gift items, brands, suppliers, or procurement costs. The final gift experience is curated and reviewed by the CIRCUM Gifts Team before fulfilment. By proceeding past the Preview step, you acknowledge and accept that the specific contents of your gift will not be disclosed prior to delivery.

8.4 Pricing and Payment

The gift budget is set by you during the ordering flow. Delivery cost is included in the review and quoted as part of the total. The total amount is displayed at the Review step before payment is taken.

Payment is processed via Stripe. Nothing is charged until our Gifts Team approves your request. If your request is declined, any held payment will be released in full.

8.5 Cancellation

You may cancel a gift request before our Gifts Team has approved it. Once approved and fulfilment has commenced, cancellation may not be possible. If cancellation is granted post-approval, any refund will be at our discretion and subject to costs already incurred. Contact us at legal@circumuk.com to request cancellation.

8.6 Confidentiality of Gift Contents

The exact gift contents, supplier identities, brands, and internal fulfilment plan remain private until delivery. This confidentiality is fundamental to the Gifts by CIRCUM experience. By placing a gift request, you agree not to request disclosure of these details prior to delivery. CIRCUM will not confirm or deny specific items or costs beyond what is shown in the IRIS preview.

8.7 The Circum Promise

Every Gifts by CIRCUM experience is: Thoughtfully Curated; Reviewed by the Gifts Team; Delivered by Circum; Built Around Your Story; and Designed to Surprise. These commitments describe the standard we hold ourselves to, not legally enforceable warranties as to specific outcomes.

8.8 Early Access Beta

Gifts by CIRCUM is currently operating in Early Access Beta. Features, pricing, and availability may change. By using the service during this period, you acknowledge that the product is in an early access phase and that functionality may be subject to update or change without notice.

9. Roth Credit Wallet

9.1 What Roth Is

Roth is a closed-loop, non-withdrawable credit wallet associated with your CIRCUM account. Roth Credits can be applied toward the cost of Platform services including standard deliveries, Health+, and Gifts by CIRCUM. Roth Credits have no cash value and cannot be withdrawn, transferred, exchanged for cash, or refunded under any circumstances.

9.2 How Roth Credits Are Funded

Roth Credits may be added to your wallet in two ways:

- Gift cards: CIRCUM gift cards may be redeemed against your Roth wallet. Gift card credits carry an expiry date set at the time of issue. Expired gift card credits are forfeited and cannot be reinstated.
- Admin tokens: CIRCUM may award Roth Credits to your account as goodwill gestures, service recovery credits, or promotional rewards. Admin tokens do not expire.

No other funding method is currently supported. Roth Credits cannot be purchased directly.

9.3 Expiry

Gift card credits expire on the date stated at the time of redemption. Admin token credits do not expire. Where a wallet contains a mix of gift card and admin credits, gift card credits are applied first on a first-in, first-out basis. CIRCUM will not provide advance notice of gift card credit expiry beyond the expiry date displayed at time of redemption.

9.4 Redemption

Roth Credits are redeemable against eligible Platform services at checkout. Credits are applied automatically where a balance is available unless you choose to deselect them. Roth Credits cover the cost of Platform services only and cannot be applied to third-party charges, Stripe fees, or tip amounts where applicable.

A single Roth wallet applies across all CIRCUM services. One user account holds one Roth wallet regardless of which services they use. Internal ledger partitions used by CIRCUM for accounting purposes do not create separate wallets or separate credit balances for the customer.

9.5 No Regulatory Status

Roth Credits are simple promotional and gift card credits redeemable only within the CIRCUM Platform. They are not electronic money, stored value, or a payment instrument as defined under the Electronic Money Regulations 2011 or the Payment Services Regulations 2017. No regulatory protections applicable to e-money or payment accounts apply to Roth Credits.

9.6 Modification and Termination

CIRCUM reserves the right to modify, suspend, or terminate the Roth credit system at any time. Where the system is terminated, we will provide reasonable notice and honour any unexpired admin token credits against eligible Platform services for a period of not less than 30 days following notice. Gift card credits remain subject to their stated expiry dates. No cash compensation will be provided for forfeited credits.

9.7 Account Deletion

Upon account deletion, any remaining Roth Credits are forfeited. Roth Credits do not survive account closure and cannot be transferred to another account.

10. Sender Trust Points and Tier System

10.1 Overview

The Sender Trust Points system rewards positive participation, trusted conduct, and continued use of the Platform. Trust Points determine your Sender Tier, which is visible to you, Riders, and admins. The system is separate from Rider ranks, Legend recognition, and Patron recognition and does not interact with any of those programmes.

10.2 Sender Tiers

Sender Tiers are assigned based on accumulated Trust Points as follows:

- New Sender: 0–24 points
- Active Sender: 25–99 points
- Regular Sender: 100–299 points
- Priority Sender: 300–749 points
- Platinum Sender: 750 points and above

10.3 Earning Trust Points

Trust Points are awarded automatically for the following activities:

- Parcel sent: +1 point
- Successful delivery: +1 point
- Lifetime spend milestone reached: +2 points
- Gifts by CIRCUM order placed: +3 points
- Health+ order placed: +5 points
- Account age milestone reached: +2 points
- Successful referral: +7 points

Admins may award additional Trust Points of between +1 and +5 for positive conduct, including calm and respectful engagement during support interactions, patience during delivery issues, helpful feedback, exceptional kindness, or positive engagement with the CIRCUM team. A reason is required for every admin award. You will be notified by email and in-app notification when an admin award is made.

Super admins may award Trust Points of any positive value for exceptional circumstances. A reason is required. You will be notified by email and in-app notification of any super admin award.

10.4 Trust Point Deductions

Trust Points may be reduced in the following circumstances:

- Confirmed fraud: –5 points
- Unwarranted chargeback: –4 points
- Unnecessary cancellation outside cancellation policy: –3 points

Deductions are applied internally and are not communicated to the account holder by email or in-app notification. Some internal trust adjustments may affect your score. CIRCUM does not disclose the specific details of fraud or chargeback deductions to account holders.

Super admins may apply deductions of any value where warranted. A reason is required for all super admin deductions and all deduction events are audit logged.

10.5 Tier Progression and Adjustment

Tier progression is automatic based on accumulated Trust Points. Super admins may promote or demote a Sender Tier directly, or freeze and restore progression, where circumstances warrant. Reasons are required and all tier adjustments are audit logged.

You will be notified by email and in-app notification of a tier promotion. You will be notified in-app of a demotion resulting from a tier change. You will not be notified of point deductions, fraud or chargeback adjustments, or internal trust modifications.

10.6 Legend Recognition

Legend is a separate historical recognition for early Circum customers and is not a Sender Tier. A sender may hold both a Sender Tier (e.g. Platinum Sender) and a Legend designation (e.g. Legend #284) simultaneously. These two statuses serve different purposes and are not merged, exchanged, or converted.

10.7 Trust Profile

Your Sender Tier badge is displayed on your profile. Tapping or clicking the badge opens a full Trust Profile view showing your current tier, total Trust Points, progress toward the next tier, a breakdown of how points were earned across categories, and your Legend status if applicable. Negative deductions are not itemised in your visible Trust Profile.

10.8 Visibility

Your Sender Tier is visible to you, Riders who accept your deliveries, CIRCUM admins, and other Platform users where applicable. Your specific Trust Points score and breakdown are visible to you only via the Trust Profile view.

10.9 No Guarantee of Benefits

Sender Tiers are a trust and recognition framework. Holding a particular tier does not guarantee service priority, pricing discounts, or any specific benefit unless CIRCUM expressly states otherwise. CIRCUM reserves the right to modify the Trust Points system, tier thresholds, point values, and associated benefits at any time.

11. Platform Conduct

All users of the Platform agree not to:

- Use the Platform for any unlawful purpose or in breach of any applicable law or regulation.
- Submit false or misleading item descriptions.
- Harass, threaten, or abuse other users, Riders, or CIRCUM staff through the in-app chat or any other channel.
- Attempt to access, interfere with, or reverse-engineer any part of the Platform.
- Use automated scripts, bots, or scraping tools to access the Platform.
- Attempt to circumvent our security, authentication, or pricing systems.

Violation of these obligations may result in immediate account suspension, termination, and where applicable referral to law enforcement.

12. Intellectual Property

All content, trademarks, brand names, logos, software, IRIS engine, pricing logic, and documentation forming part of the CIRCUM Platform are the intellectual property of CIRCUM Technologies Ltd or its licensors. No licence to use our intellectual property is granted beyond what is strictly necessary to use the Platform in accordance with these Terms.

13. Liability

To the fullest extent permitted by applicable law:

- The Platform is provided on an “as is” basis. We make no warranties as to availability, accuracy, or fitness for purpose.
- CIRCUM is not liable for loss or damage to items in transit beyond the amounts recoverable under our Vanguard delivery assurance programme (where applicable).
- We are not liable for indirect, consequential, special, or punitive losses arising from your use of the Platform.
- Our aggregate liability to any Sender in connection with a single Delivery Request shall not exceed the amount paid by the Sender for that delivery.

Nothing in these Terms limits our liability for death or personal injury caused by our negligence, fraud or fraudulent misrepresentation, or any other liability that cannot be excluded under English law.

14. Dispute Resolution

If you have a dispute concerning a delivery, please contact us in the first instance via the in-app support function or at legal@circumuk.com. We aim to resolve disputes within 10 business days. If we are unable to resolve your complaint, you may refer the matter to an appropriate alternative dispute resolution body or the courts of England and Wales.

15. Termination

We may suspend or terminate your access to the Platform at any time, with or without notice, where you breach these Terms or where we consider it necessary for security, legal, or operational reasons. You may delete your account at any time via the App settings or circumuk.com/account-deletion. Upon deletion, your personal data will be handled in accordance with our Privacy Policy.

16. Changes to These Terms

We may update these Terms from time to time. Where changes are material, we will notify you via the Platform or by email at least 14 days before the changes take effect. Your continued use of the Platform after the effective date of any changes constitutes acceptance of the updated Terms.

17. Record Retention and Litigation Hold

We retain records relating to your use of the Platform in accordance with our Privacy Policy. Notwithstanding any standard retention or deletion periods, where CIRCUM reasonably anticipates or becomes involved in legal proceedings, a regulatory investigation, an insurance claim, or a formal dispute resolution process concerning a specific transaction, delivery, or gift request, the records relevant to that matter will be retained until the matter is fully resolved and any applicable appeal period has expired. This applies to all Platform services including standard deliveries, Health+, and Gifts by CIRCUM.

18. Governing Law

These Terms are governed by and construed in accordance with the laws of England and Wales. Any disputes shall be subject to the exclusive jurisdiction of the courts of England and Wales.

19. Contact
